GENERAL INFORMATION

COMPLEX OPENING TIMES AND STAFF

- **Assembly time** from 7.00 am to 10 pm.
- **Support staff** at the complex will provide access to the screens, spaces and goods lift. Security staff specific to an event will be contracted separately.
- Kinépolis has its own **maintenance staff** at the complex. If maintenance workers are required for an event, the client should request a quote for this service.
- Kinépolis has various **preferred suppliers** for **catering** and **audiovisual services**, **graphic design** and **furniture hire**. Our sales representative can provide their contact details.

ADITIONAL SERVICES

Kinépolis can provide:

- **STAFF:** security (guards and support staff), hostesses, maintenance staff, etc. Request a quote applicable to the needs of your event.
- **EXTRA FURNITURE** for events: decorative pouffes, sofas, low tables, screens, post and rope stanchions, etc. Check availability and price.
- **CLOAKROOM.** Check availability and price.
- **INTERNET CONNECTION** customised to the needs of your event: cable or Wi-Fi, from 1MB to 200MB symmetrical speed in communal areas and the screens. Request a quote according to your needs.
- **STORAGE AND TECHNICAL OFFICE SPACE:** up to 20 m2.
- **REPROGRAPHY** service.
- **FREE PARKING:** up to 3,000 spaces. Spaces may be reserved for events: VIP guests, buses, etc..

BASIC TECHNICAL INFORMATION: ASSEMBLY

EXTRAS SPECIAL REQUIREMENTS

- ELECTRICAL INSTALLATIONS:

  An electrical supply design is required from competent, certified professionals who issue a certificate after installation confirming that the assembly has been performed in accordance with the design.

  An electrical report by the electrician who performs the installation is also required.

- STRUCTURES (marquees, awnings, platforms, etc.)

  A project design must be prepared by a competent, certified professional who assesses maximum permissible loads, anchorage, wind resistance, etc. The professional must issue a certificate when the installation has been completed confirming that assembly has been performed in accordance with the design.

- OCCUPATIONAL HEALTH AND SAFETY:

  If the installation alters the active or passive safety measures for fires, evacuation routes etc., a specific safety plan must be prepared for the event.

  Formalization of health and safety processes.

- PERMITS:

  In the case of special activities and assembly for outdoor events, the client is responsible for obtaining the necessary permits from the Town Hall or relevant bodies/institutions.

CINEMA FLOOR

- 2 x 63A tetrapolar surface socket outlets 380/220 Vol.+1 max. 25A.
