GENERAL INFORMATION

COMPLEX TIMETABLE AND STAFF

- **Set-up times** from 7am to 11 pm.
- The **security staff** in the complex will provide access to rooms, spaces and to service lifts. The specific security staff for the event are hired separately.
- Kinépolis has its own maintenance staff in the complex. Should you require a maintenance person during the event, please request a quote.
- Kinépolis has a number of **service providers** both for **Catering** and **Audiovisual Services**. The Kinépolis sales representative can provide you with their contact details.

ADDITIONAL SERVICES

Kinépolis can provide:

- **Security STAFF** (security guards and assistants), hosts and hostesses, maintenance staff, etc. Request a quote specific to your event requirements.
- **EXTRA FURNITURE** for events: decorative pouffes, couches, low tables, folding screens, overhead power cables, etc. Consult availability and price.
- **CLOAKROOM**. Consult availability and price.
- **INTERNET CONNECTION** customised to your event requirements: cables or Wi-Fi, from 1MB to 20MB, symmetrical, both in spaces and rooms. Request a quote specific to your requirements.
- **STORAGE AREAS** and **Technical Office Space**, of up to 20m2.
- **REPROGRAPHY** service.

- 8 single phase 220v sockets with e.c. from the room
- 21 single phase 220v sockets.
- 2 three phase 380v sockets.

● CORRIDOR 13-24:

- 8 single phase 220v sockets with e.c. from the room
- 22 single phase 220v sockets
- 2 three phase 380v sockets

PROJECTION BOOTH FLOOR:

● CORRIDOR 1-12:

- 2 three phase 380v sockets.
- 12 single phase 220v sockets with e.c. from the room

● CORRIDOR 13-24:

- 2 three phase 380v sockets.
- 12 single phase 220v sockets with e.c. from the room

TECHNICAL INFORMATION FOR SET-UP

EXTRAS

SPECIAL REQUIREMENTS

- ELECTRICAL INSTALLATIONS:

Electrical installation performed by competent and qualified staff, who upon completion of the installation issue a certificate indicating that the set-up has been performed in accordance with the project.

Electrical report from the electrician who performs the installation.

- STRUCTURES (Marquees, pergolas, platforms...)

Project performed by competent and qualified staff who consider the maximum permissible load, anchorage, wind resistance, etc. When the installation is complete the staff will issue a certificate indicating that the set-up has been performed in accordance with the project.

- SELF-PROTECTION PLAN:

If the installations modify the active or passive fire safety installations, evacuation routes, etc., a specific self-protection plan must be put in place for the event.

- PERMITS:

For special actions and the set-up of events in outdoor areas, the client is responsible for processing the relevant permits with the city council or other organisations/institutions.

THE CONTRACTING AGENCY/CLIENT MUST TAKE OUT THIRD PARTY LIABILITY INSURANCE.
